

APPLICATION FOR A MEMBERSHIP IN

the European Network on Nuclear and Radiochemistry Education and Training (European NRC Network)

The European NRC Network welcomes all relevant organizations to become a member in it. The objectives and functions of the NRC Network are:

- to cooperate in NRC education and training in Europe
- to promote development of NRC education and training in Europe
- to represent NRC education and training community towards other organizations and society
- to promote and organize student and teacher exchange between partners
- to organize common courses in NRC

To achieve these the Network is open for a variety of research, industrial and other type of organizations (universities, research institutes, companies etc.) having relevant activities or needs in education and training in NRC. To obtain a membership the organization needs to fulfill this application form, get it signed by an authorized person of the organization and send it to the chairman of the NRC Network:

Prof. Dr. Clemens Walther

Institute of Radioecology and Radiation Protection

Leibniz University Hannover

Herrenhäuser Str. 2

D-30419 Hannover

Germany

walther@irs.uni-hannover.de

The steering group of the NRC Network will evaluate the application and decide on the membership within three months from receiving the application. Steering group may ask for more information prior to decision.
